

SOMBOLED Ltd SERBIA ON BEHALF OF LACTALIS DAIRY INDUSTRY

declares an

INTERNATIONAL SCHOLARSHIP ANNOUNCEMENT

Somboled Serbia, member of the French dairy industry LACTALIS, invites all qualified applicants to apply for a company sponsored Msc program in France, EFA (Etudiants Internationaux en Formation par Alternance).

The program consists of 2 years of post graduate studies and practical internship in Lactalis factories in France, plus a minimum of 2 years of work in Lactalis factories in Serbia.

WHO ARE WE?

LACTALIS GROUP is a French, family owned company, No.1 dairy group in the world with a 14.7 billion EUR turnover and a milk collection of 13.6 billion liters. It has 52.000 employees world wide and 198 production sites, mostly in rural areas.

Somboled Ltd. Sombor is a successful producer of dairy products with a long tradition and well-known brands, with a turnover of 43.2 million EUR per year.

IF YOU ARE:

- bachelor and/or master level degree (at least 4 years of studies) at the Food technology faculty, Veterinary faculty, Agronomy faculty and Faculty of Biology
- under 26 years of age
- with a C1 (advanced) level of English
- interested in an industrial rather than a scientific career
- interested in a **2 year MSc program in France** sponsored by LACTALIS GROUP **starting in summer 2012** and followed by **2 years of work in a Lactalis factory in Serbia**
- mobile, hardworking and ambitious

For more information don't hesitate to contact us at posao@somboled.rs by **March 12, 2012**.

Interested applicants will get all necessary information on both the scholarship program and our company, and will receive a formal application form to fill out.
